**Buckhead Beef Company Celebrates 15-year partnership**

ATLANTA – March 20 – Buckhead Beef Company of Atlanta recently celebrated its 15-year partnership with Certified Angus Beef LLC (CAB).

Chad Stine, general manager, said, “The *Certified Angus Beef*® (CAB®) brand is the true quality mark in a volatile industry struggling to build consumer demand and loyalty within a commodity driven business.”

Stine said quality assurance is critical to delivering an unmatched eating experience.

“The CAB® brand has been instrumental to the success of establishing Buckhead Beef as the premier center of the plate protein company. We are excited to reach this 15-year milestone.”

“Buckhead Beef Company is the second largest distributor of CAB® product in the world, and a significant supplier to national and regional chains,” Stika said. “Buckhead continues to demonstrate unparalleled sales leadership and it is an honor to present this award honoring a valued partner.”

The *Certified Angus Beef*® brand is a cut above USDA Prime, Choice and Select. Enjoyed for its flavor, tenderness and juiciness, the brand is *Angus beef at its best*®. Less than 8% of beef can achieve the CAB benchmark standards that ensure mouthwatering flavor, juiciness and tenderness. It is proudly offered at more than 13,000 restaurants and retailers throughout the United States and internationally for more information, visit [www.certifiedangusbeef.com](http://www.certifiedangusbeef.com).
